

**Happy New Year!**

**We expect GREAT things in 2016!**

What an exciting collaboration of the Burn community across the globe!

We have sites participating in Canada, the U.S., Australia, Israel, and across Europe, all at varying stages in the Start-up process. We are pleased to announce, the investigational products will be distributed from one central location to ALL participating sites worldwide.

**For the next several months, Dr. Heyland is travelling throughout the U.S. visiting..... YOU!!**

**Dr. Heyland is on the road!**

**Let's get this ball rolling!**

**Enrollment is competitive!**

**First Steps:**

- ⇒ **Ethics submission** - send us your ICF before submitting to ethics
- ⇒ **Site Agreement** - send us your redlined version so we can move this forward
- ⇒ **Ask Questions** - we are happy to help
- ⇒ **Schedule Your Site Initiation Visit** - in person with Dr. Heyland or via Webinar
